Clear eyeglasses are available in many different styles and come in a variety of colors. They can be used for nearly everything from sports to photography to reading. You can even wear them at night if you need to. Most people find they work just fine for driving too so they can make the transition between day and night easier.

Brown sunglasses are a great choice for any type of outdoor activity that involves getting dirty. This is especially true if you are working outside or playing sports. They are comfortable too so you won't get tired of wearing them. Plus, as long as they aren't smudged or scratched, they will still look good. [cheap glasses frames](#)
